### **Check-In**

Check in is from 3pm to 7pm daily. Early check in can be accommodated providing your room is available. Please call ahead to confirm. We ask late arriving guests to call the inn in order that we will be available to greet you upon your arrival. Should you encounter delays due to traffic or weather, we ask that you call the inn with approximate arrival time.

### **Check-Out**

Check out is 11 am Monday through Saturday.

**Note:** On Sunday, check out time is 10:30.

## **Breakfast**

Breakfast in our dining room begins at 8:30. We can accommodate an earlier breakfast. Seating will end at 9:30. Chef Madison seeks to prepare everything fresh and cooked to order for your dining pleasure. Some dishes are prepared that morning for the entire inn and keeping it warm for an extended period of time might cause it to lose its flavor and texture.

During breakfast service, our goal is to give prompt, attentive service to our guests. Our dining experience is where we encourage several parties to dine at our dining table to meet and converse among yourselves and your hosts.

## **Children**

Children under the age of 12 can be accommodated with prior approval from the innkeepers.

## **Pets**

No pets are allowed. The Gridley Inn is home to 4 beautiful labs who are confined to our owner's quarters and are not allowed in the guest areas.

## **Smoking**

No smoking is permitted within the inn. Outdoor smoking areas are available in the front and rear of the inn. Please place cigarette butts in the appropriate receptacles.

**Note:** If management has found any cause of a guest or guests smoking in your room or any other part of the interior of the inn, a \$150 cleaning fee will be charged to your card on file.

## **Prohibited Items**

No candles, incense, bubble bath or bath oils are permitted in the rooms. Illegal substances, and firearms are strictly prohibited.
